Everything in one place

Your own personalised hub – F4N progress, handbooks, live feeds and community, all two clicks from login.

TENDERS ROUNDUP

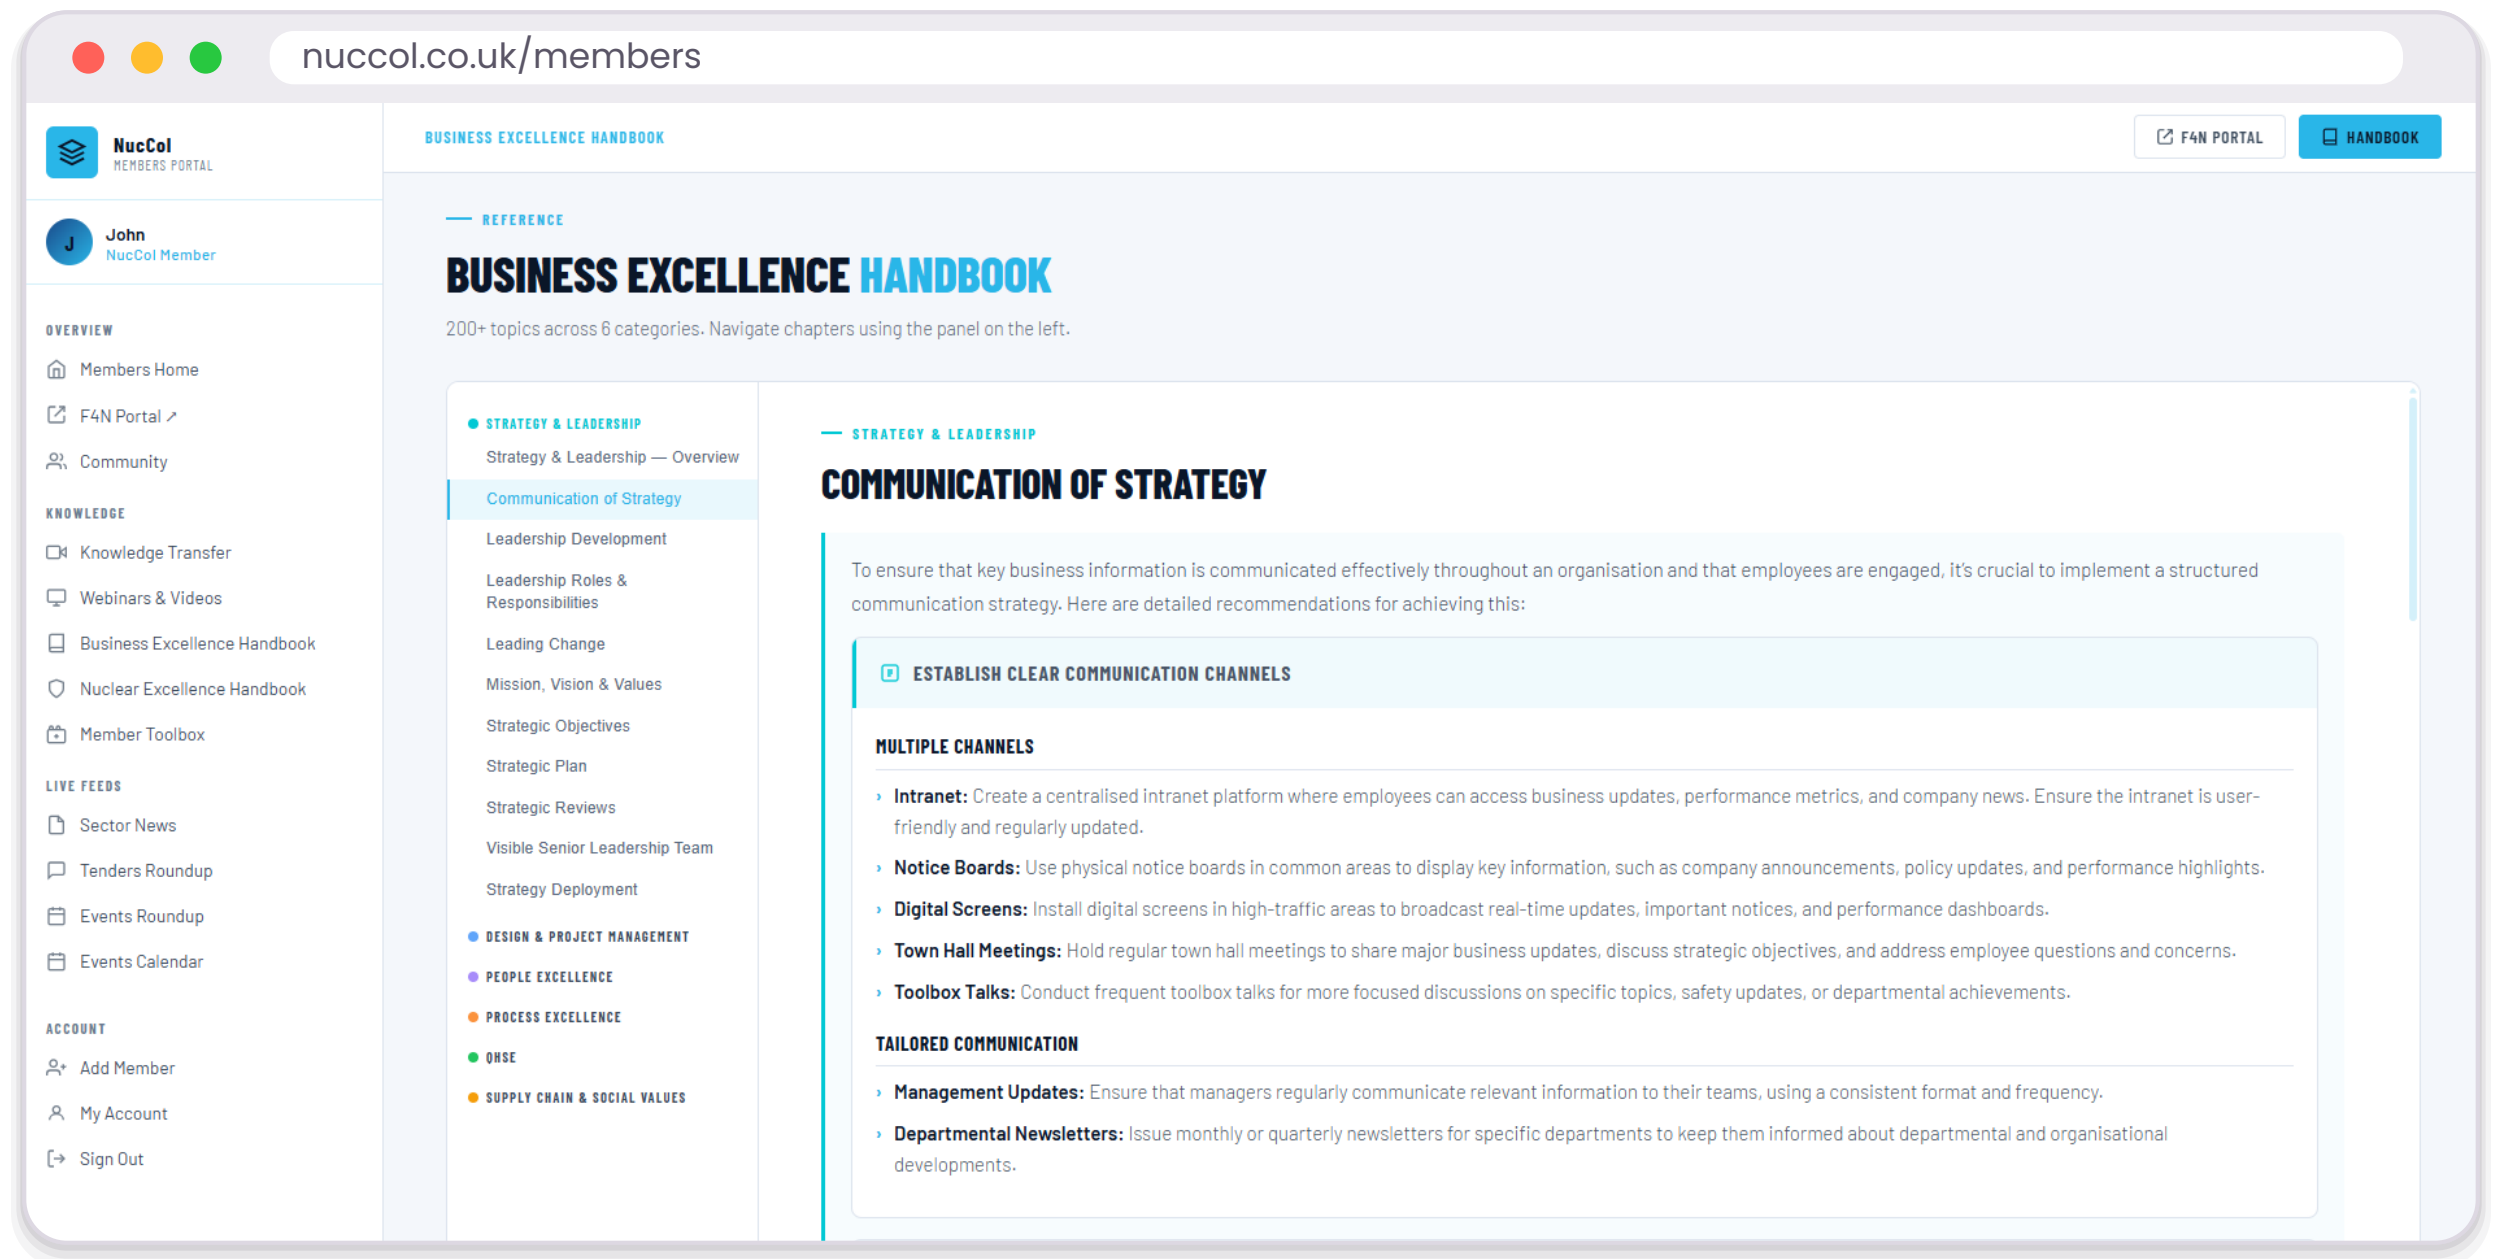

Where's the work? Right here.

Live tender opportunities from Contracts Finder and key procurement portals – nuclear, CCUS and offshore renewables, with closing dates in plain sight.

BUSINESS EXCELLENCE HANDBOOK

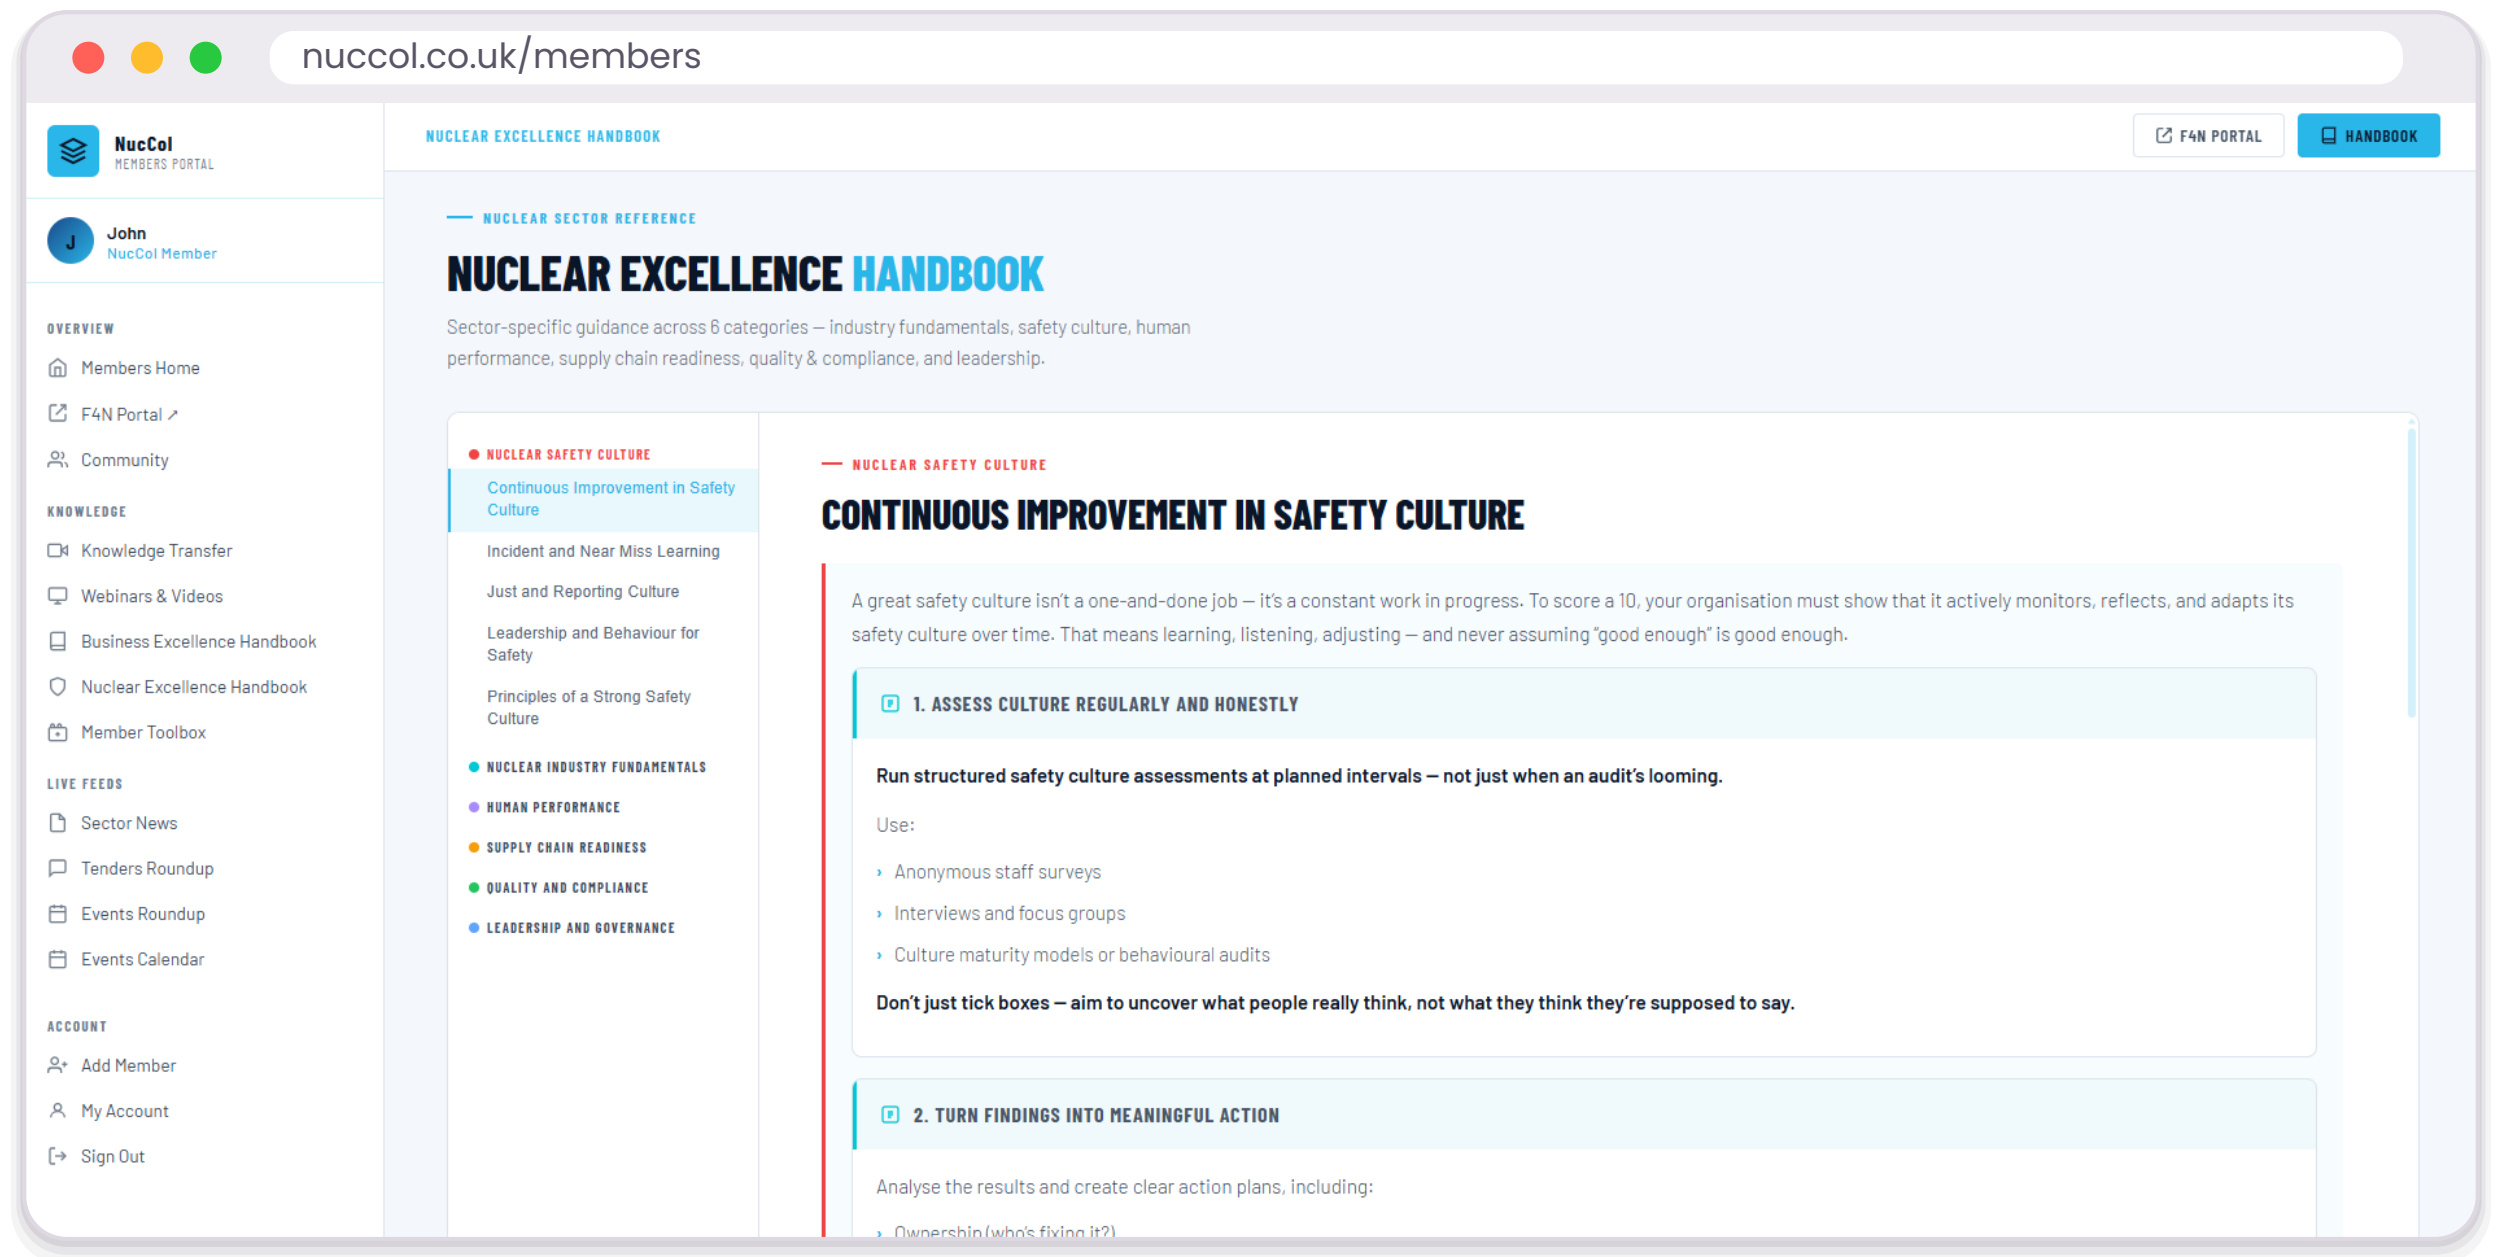

200+ topics. 6 categories.

Practical, implementable guidance to close the gaps on your F4N journey – Strategy, People, Process, QHSE, Design and Supply Chain.

NUCLEAR EXCELLENCE HANDBOOK

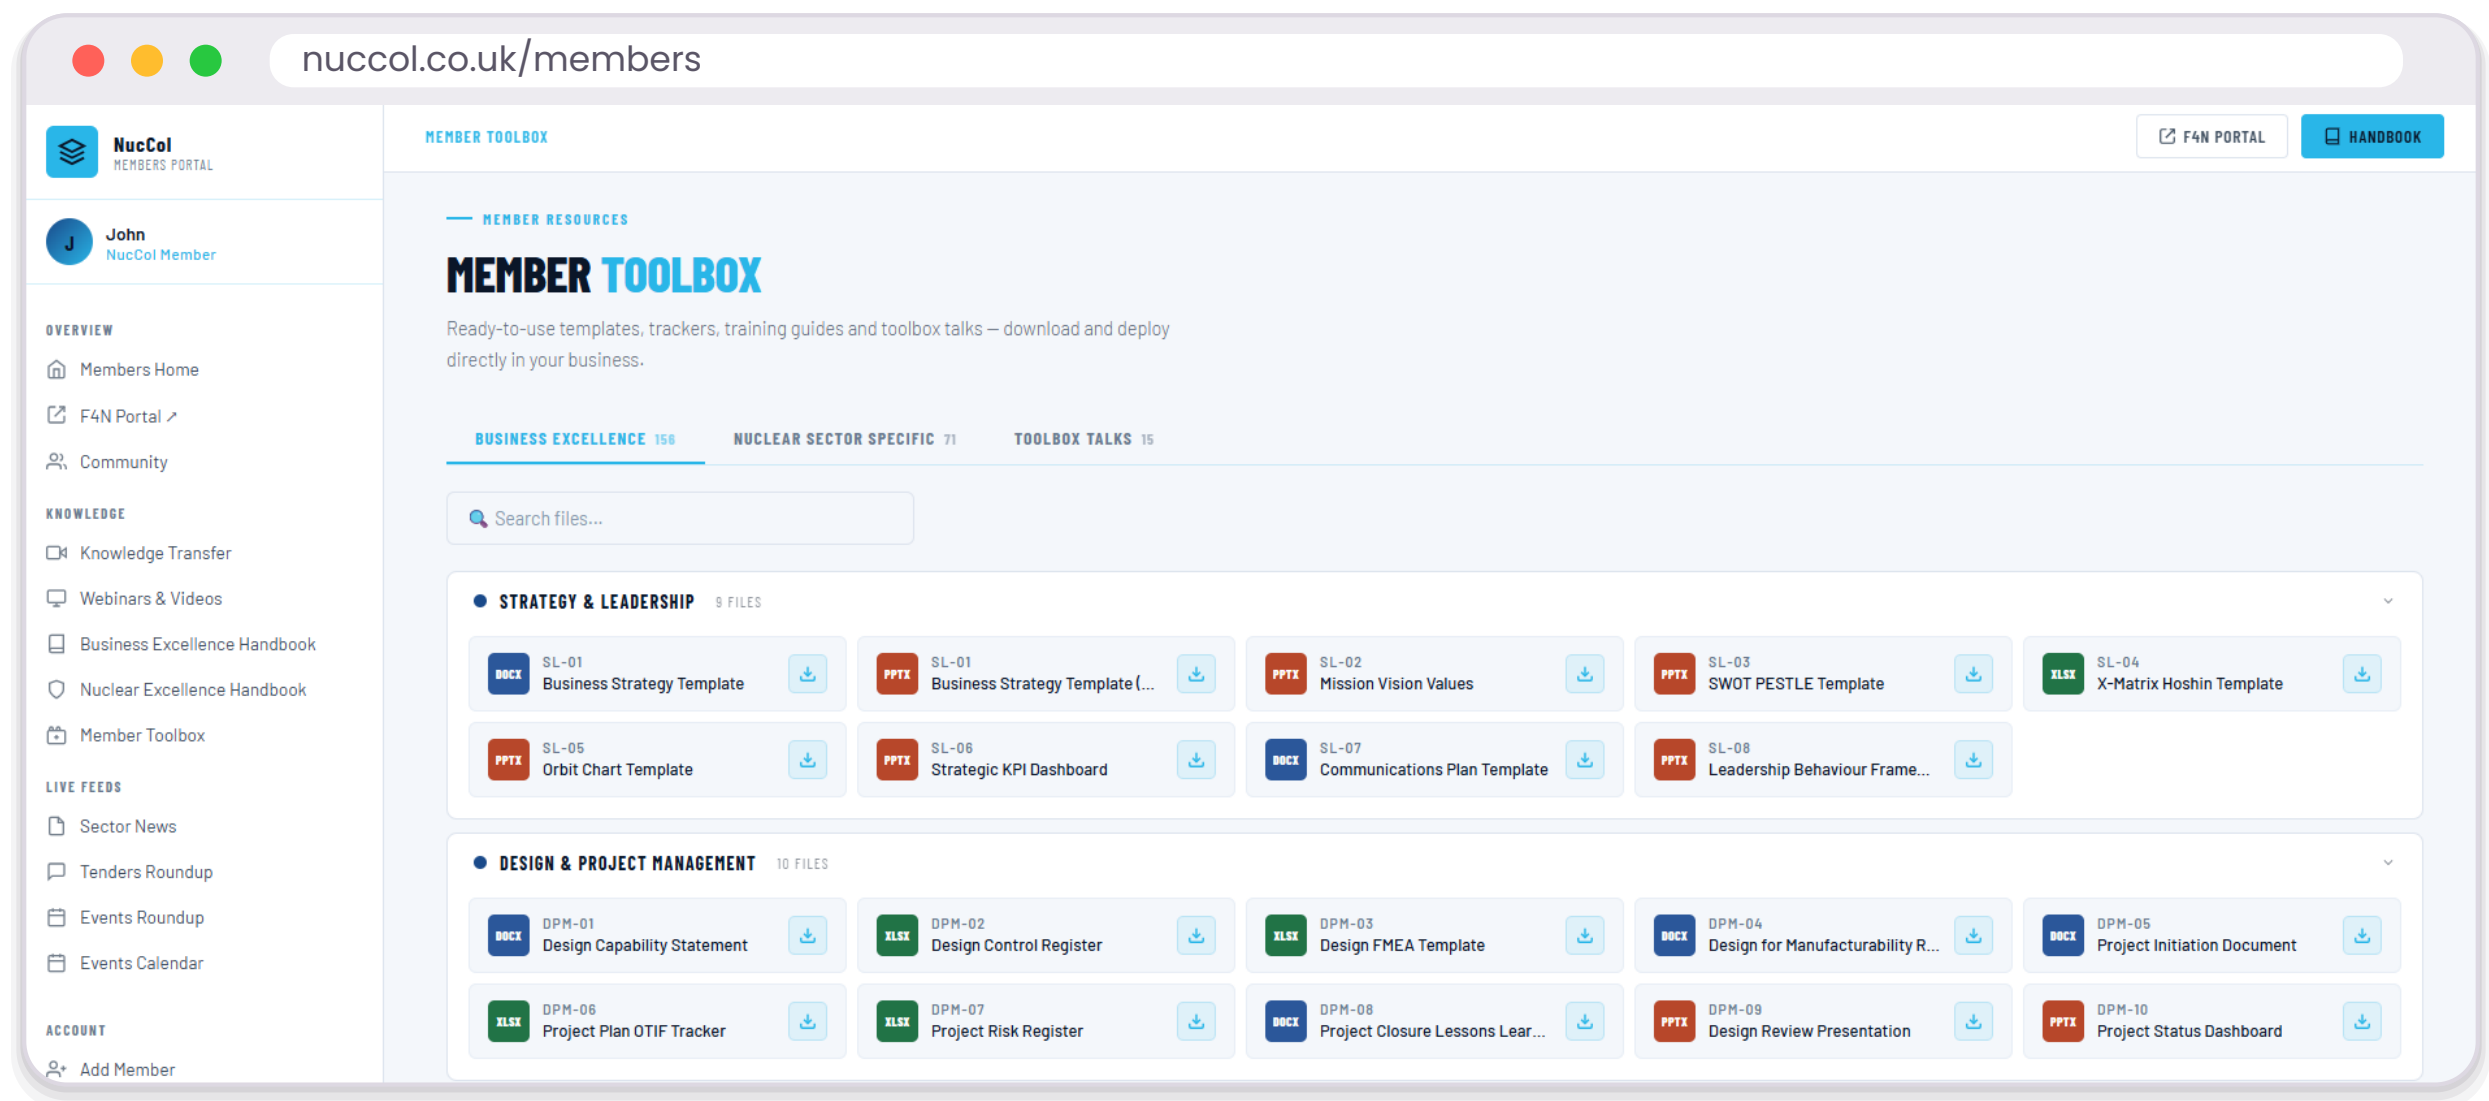

Know what the sector expects

Safety culture, human performance, quality and supply chain readiness – the nuclear-specific half of the journey, before the assessment, not after.

MEMBER TOOLBOX

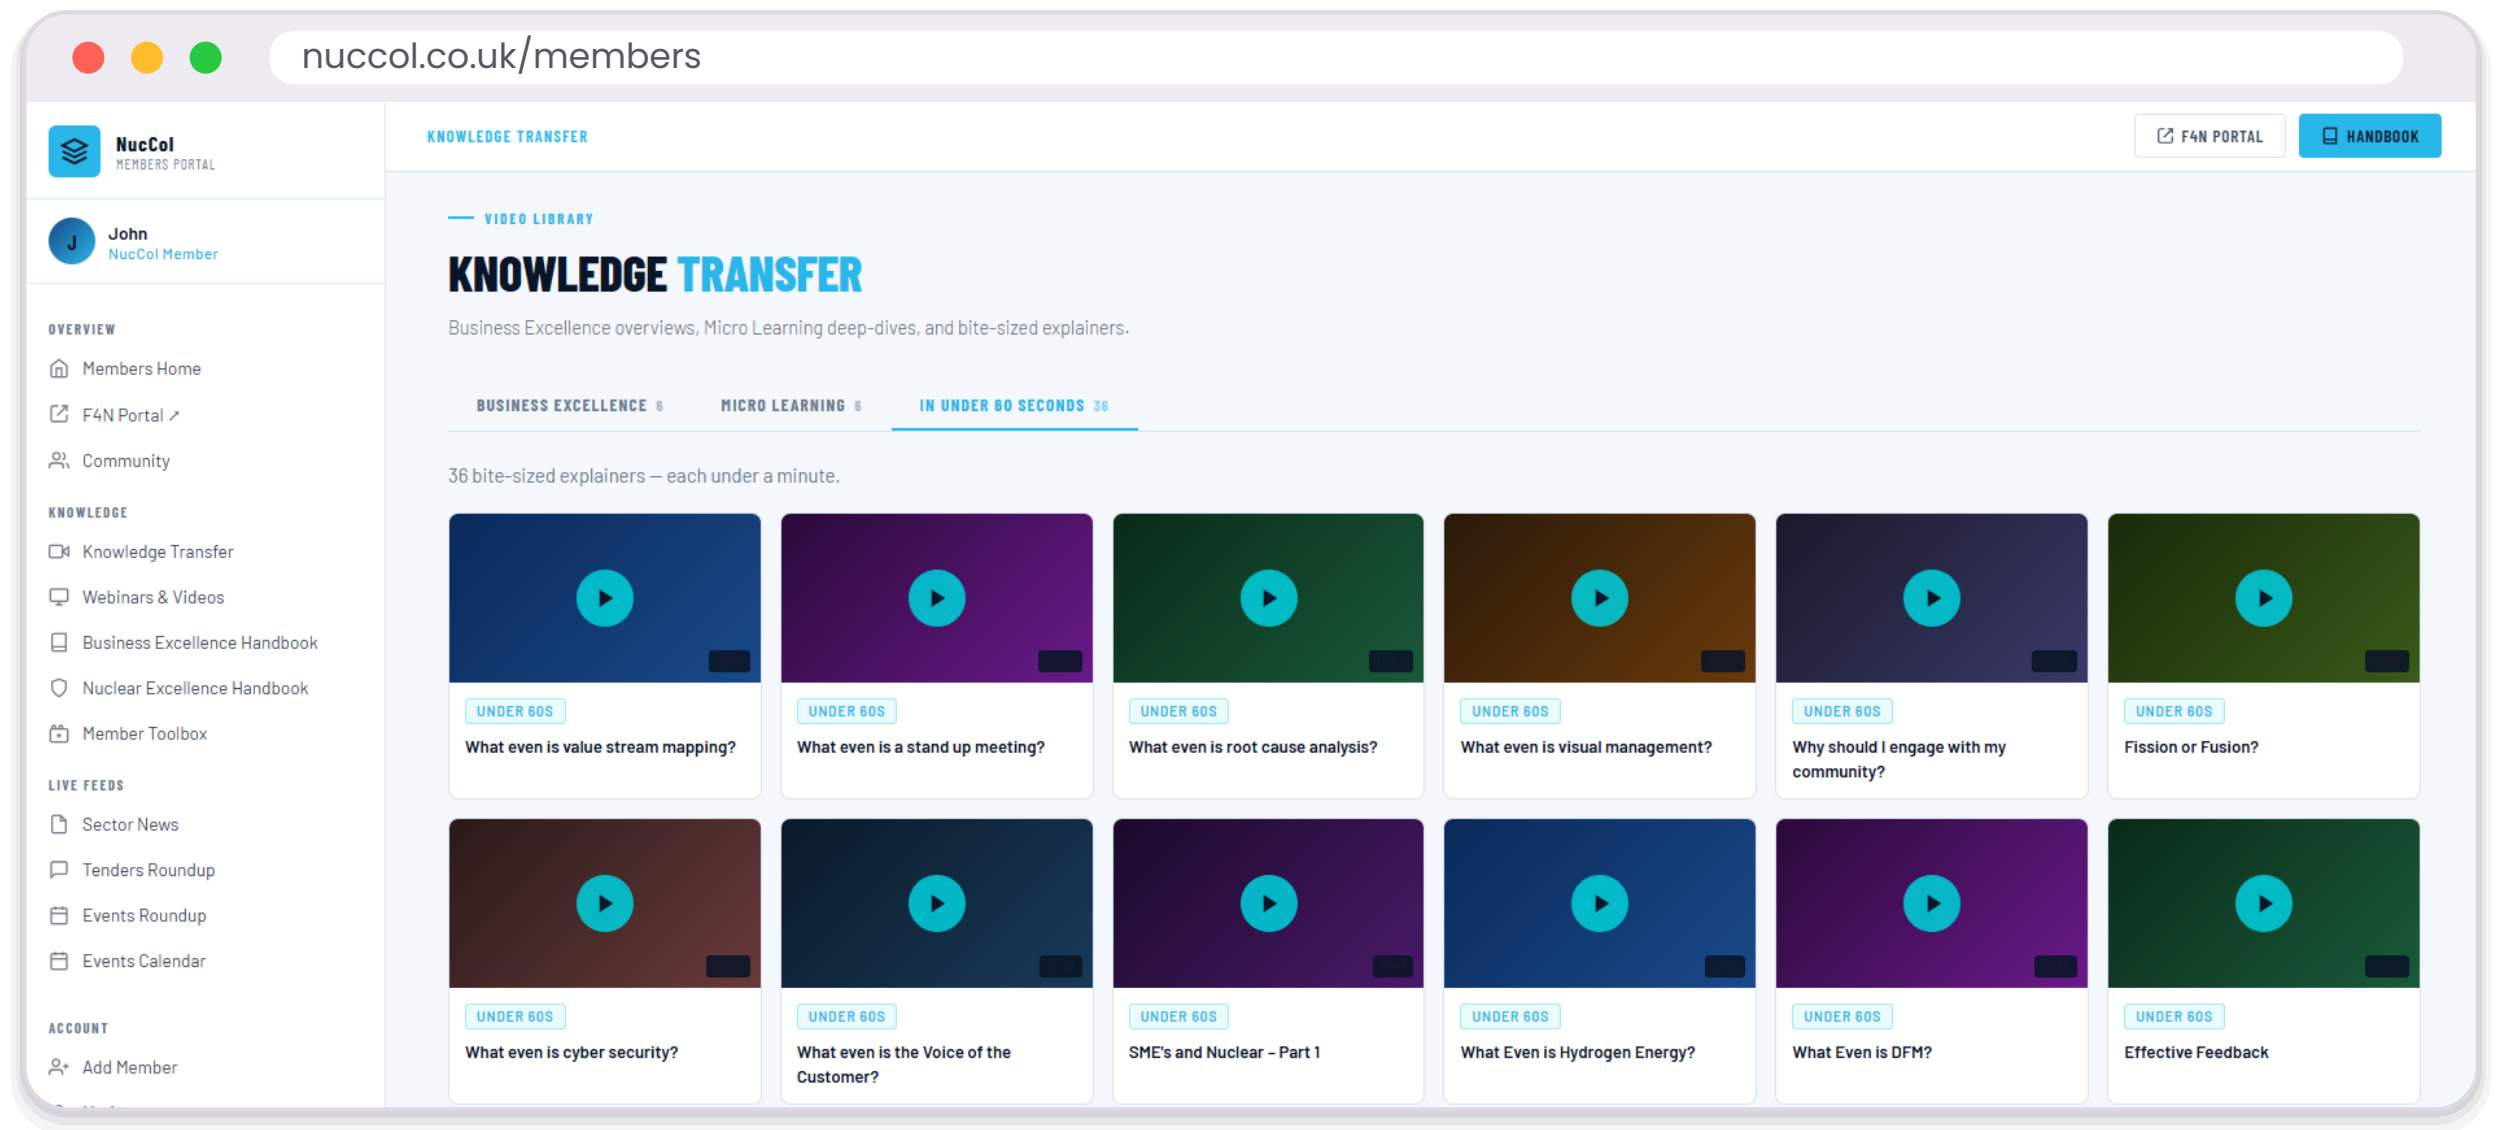

Download. Deploy. Done.

240+ ready-to-use templates, trackers and toolbox talks in Word, Excel and PowerPoint – built to work alongside both handbooks.

KNOWLEDGE TRANSFER

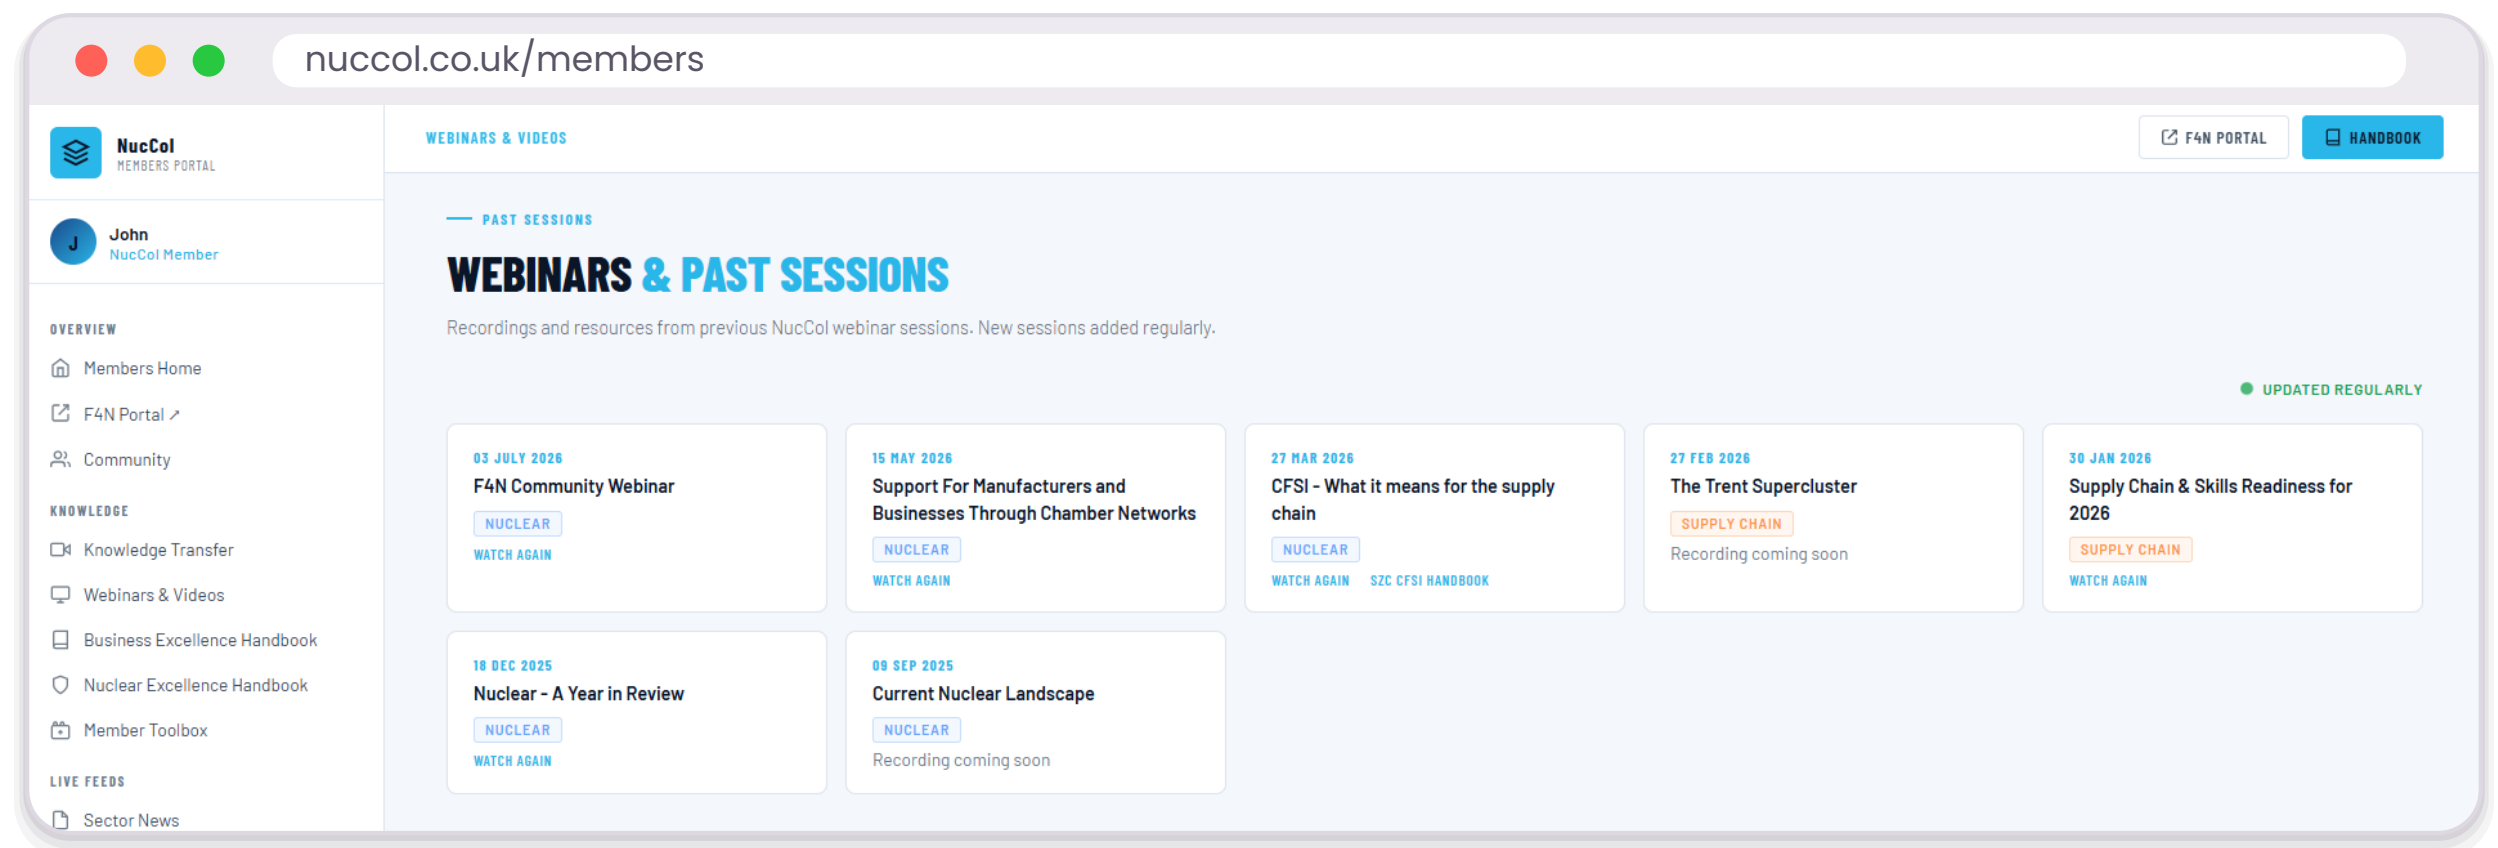

48 videos. Straight to the point.

Lean, root cause, cyber security, nuclear fundamentals – explained in plain English, most in under a minute. Built to bring your whole team up to speed.

WEBINARS & PAST SESSIONS

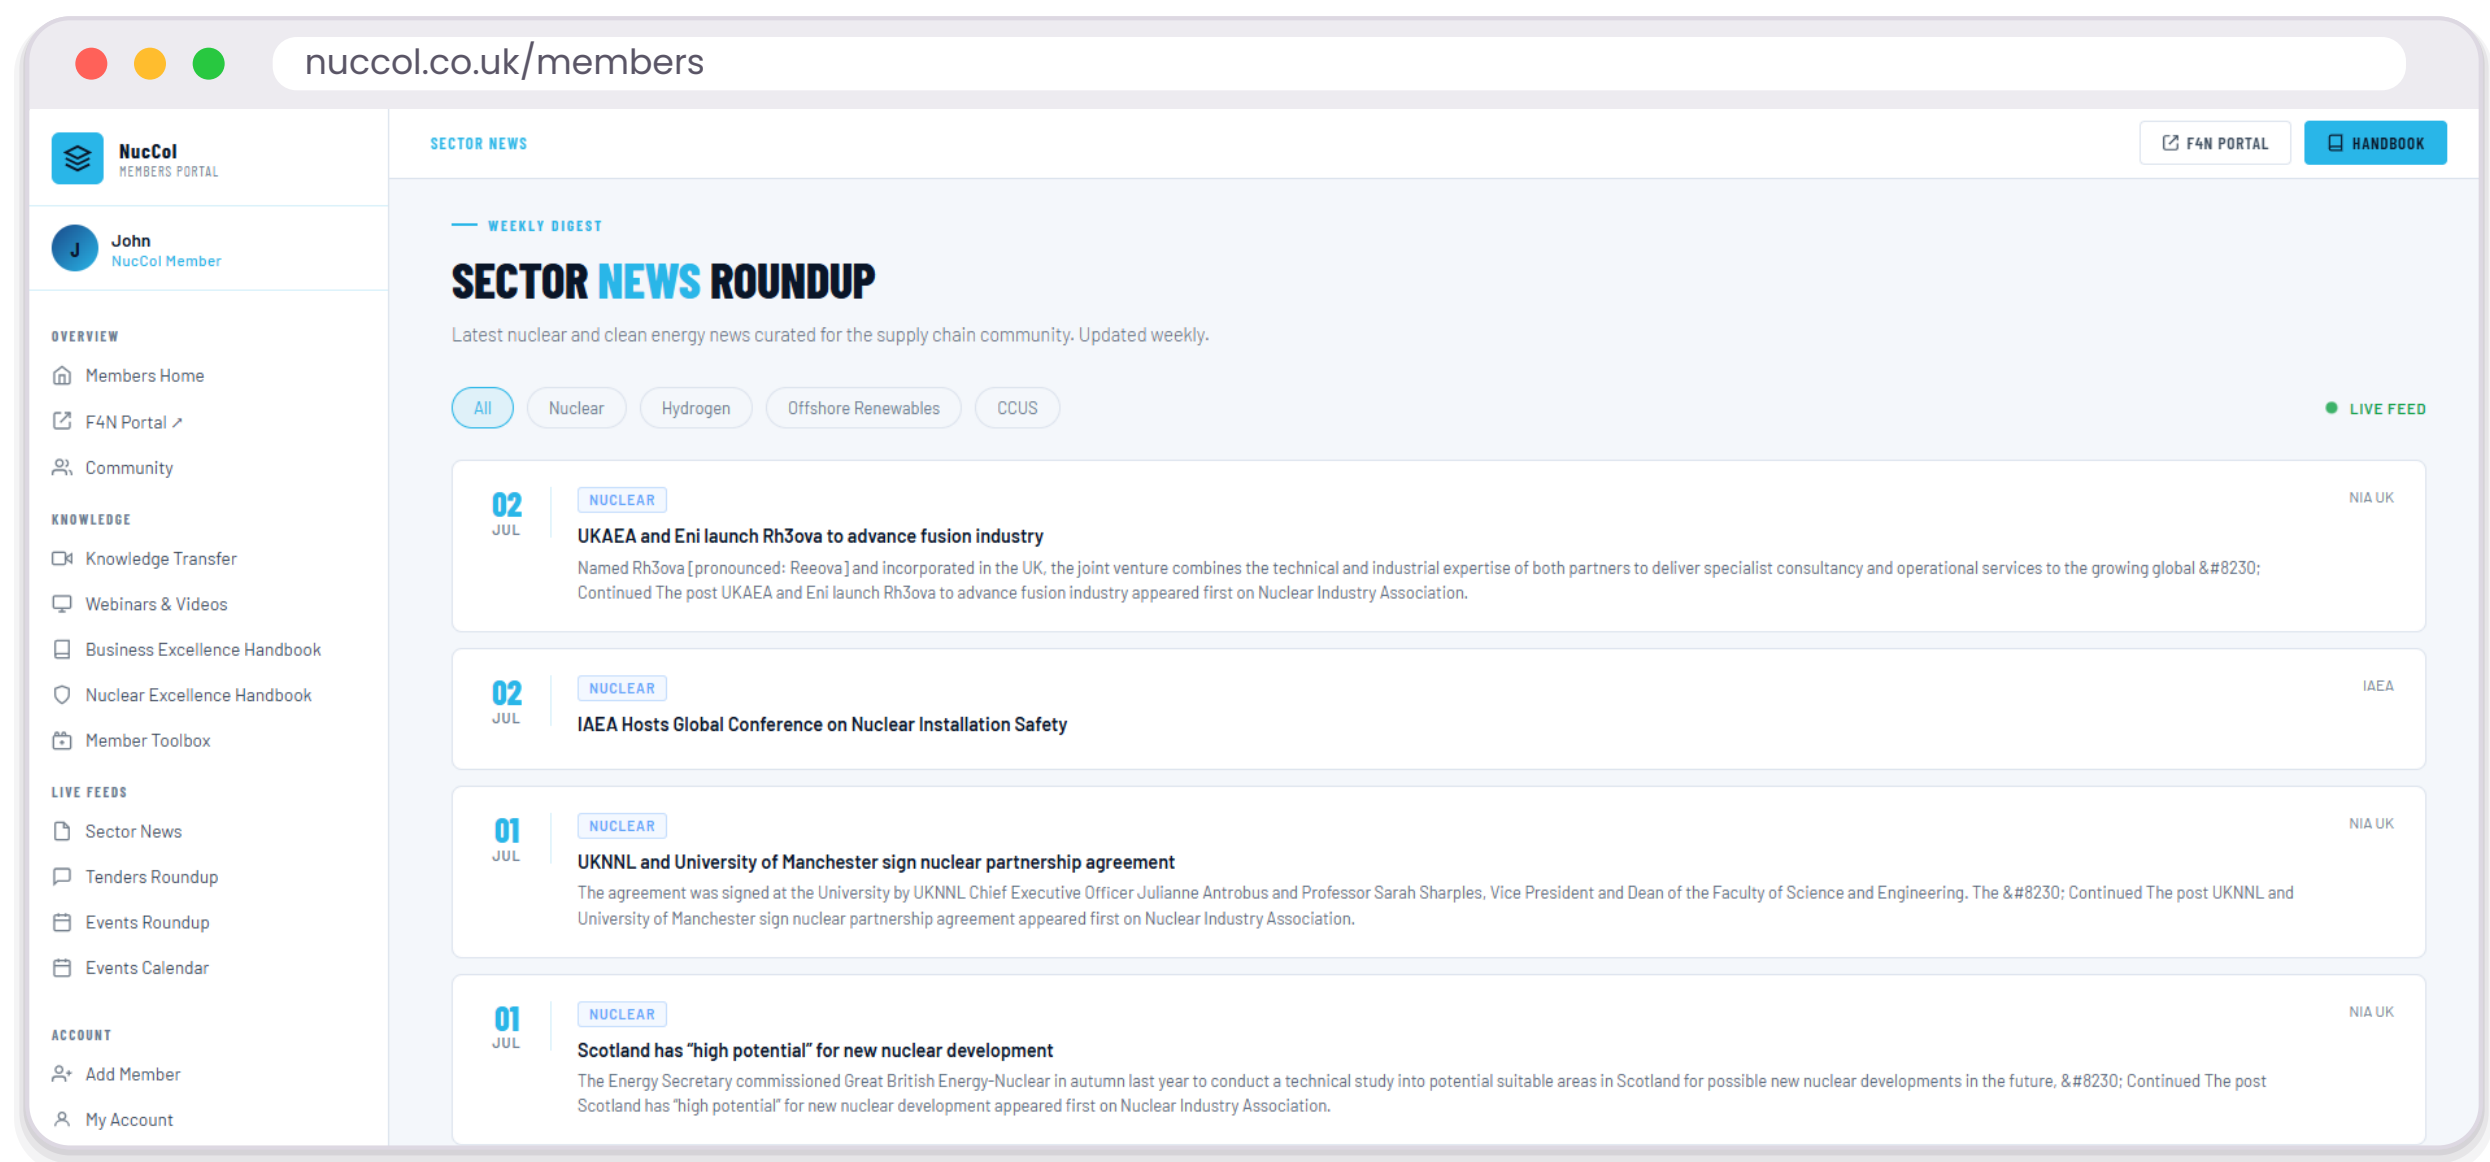

Missed it live? Catch up anytime.

Every NucCol webinar is recorded and waiting – from CFSI to skills readiness for 2026. New sessions added regularly.

SECTOR NEWS

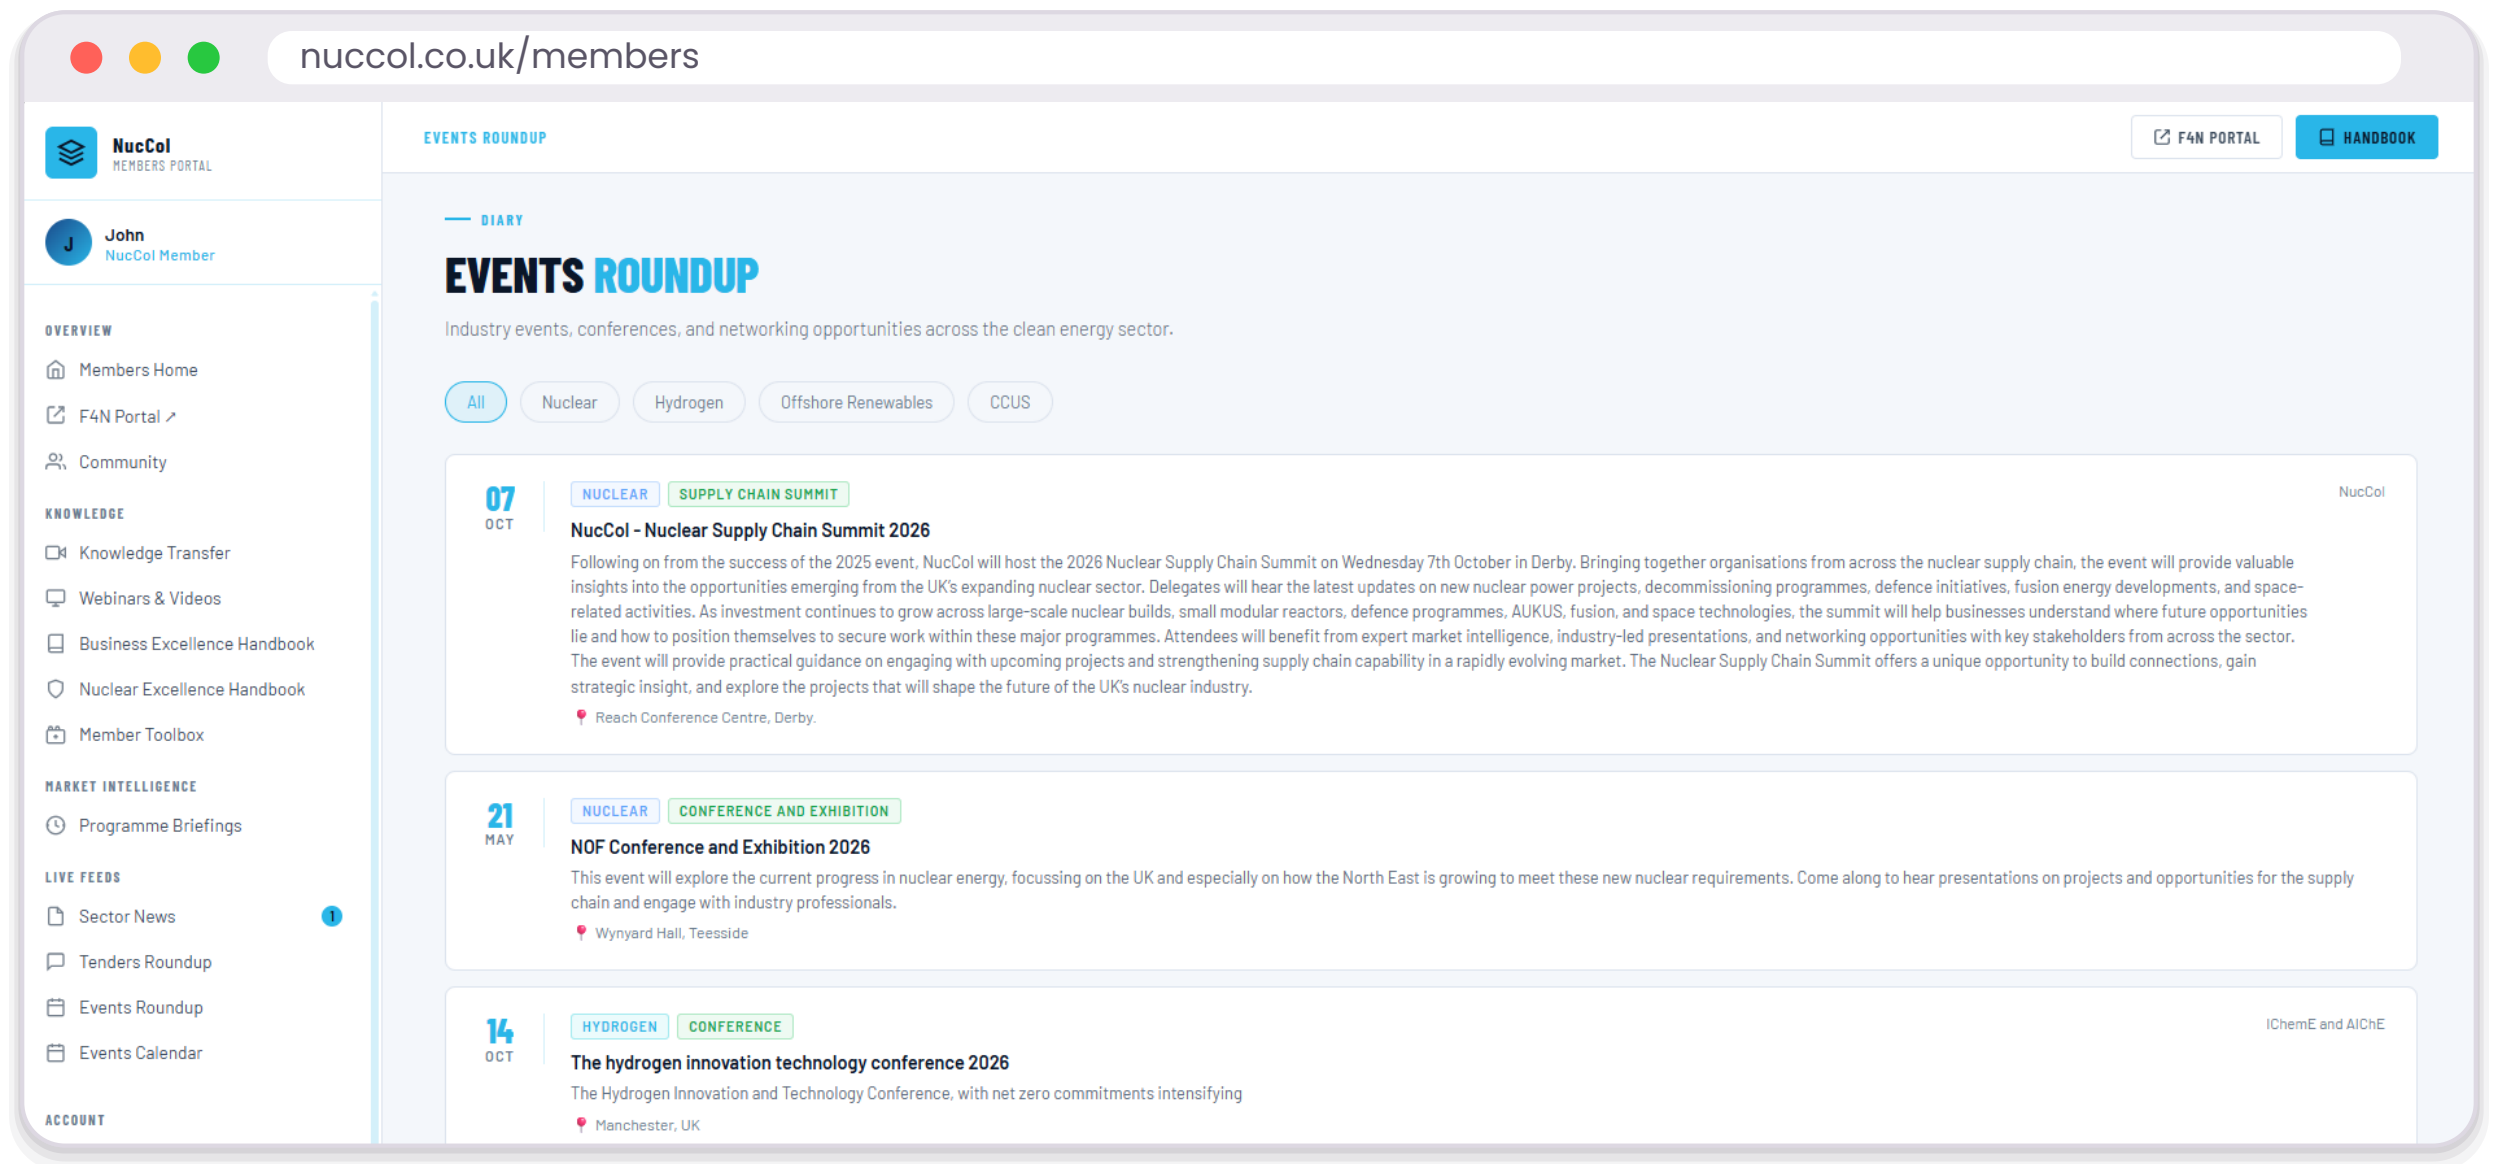

One feed. Zero trawling.

The week's nuclear and clean energy news, curated for the supply chain community – nuclear, hydrogen, offshore renewables and CCUS.

EVENTS ROUNDUP

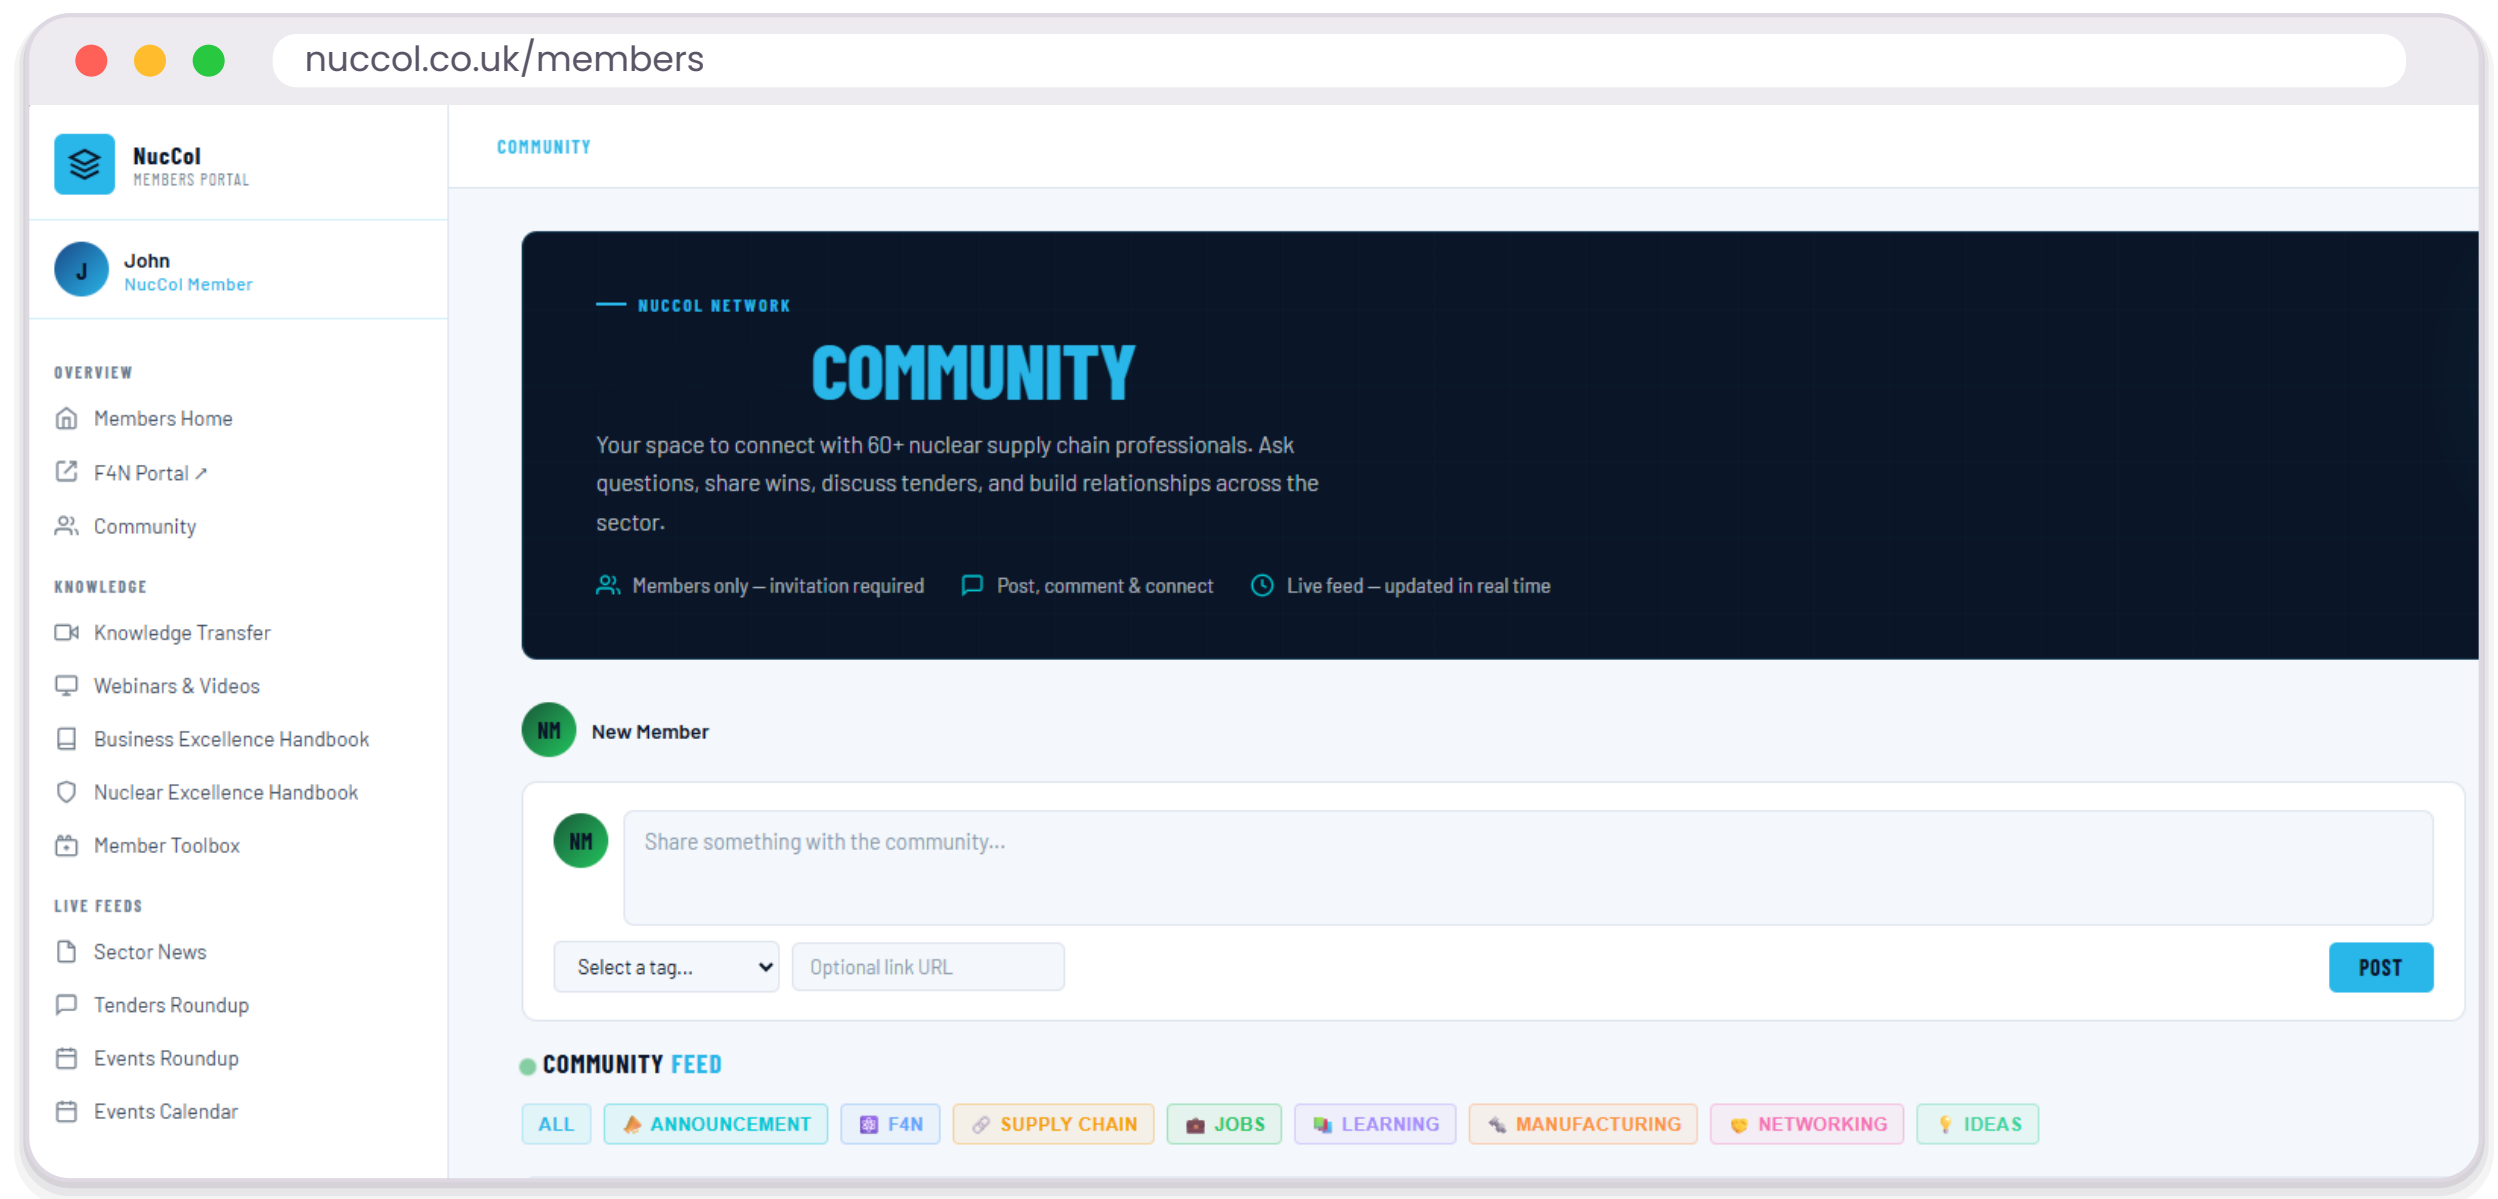

The sector's diary, sorted

Conferences, exhibitions and networking across clean energy – including the Nuclear Supply Chain Summit, 7 October 2026 in Derby.

ONLINE COMMUNITY

Not just content - a network

Ask questions, share best practice and swap wins with peers across the nuclear supply chain. Members only.
